**Steelasophical** is a multi entertainment industry award winner. UK based leading Caribbean theme, Premier & Modern Steel Band and & Caribbean Dj Music Service Steel Band Solo • Duo • Trio • Four.

We are a small team of world class musicians and musical entertainers. Clients who choose Steelasophical Steel Band & Dj for their weddings day, understand that its not about just hiring a band, but trusting in someone who understands that creating and maintaining the right atmosphere is **all important**.

**Its all about wow we make you feel and the lasting memories you take away.**

The concept of Steelasophical is Steeldrums meets mobile DJ, Steelpans & percussions performing along-side studio quality backing music for a full band sound. A Steelasophical Soloist/Duo can be the equivalent in sound to a 10+ piece steel band or a professional mobile DJ... **hows that for value!**

Transforming weddings days with music, sound and lighting, from the pre ceremony to the evening entertainment is what we do. **You will always remember how we made you feel**

If you are looking for the cheapest solution to your musical entertainment needs, Steelasophical is not the right fit for you. Clients see our value and consider us an essential investment in their day, rather than a nice to have expense.

Our exceptional entertainment services will make your day uplifting, unforgettable, fun, relaxing and amazingly successful... don't just take our word for it, see and hear what our past clients have said about us

If we both agree that Steelasophical have not made a positive and transforming difference to your day, we will refund you money – Guaranteed

YOU'LL REMEMBER HOW WE MADE YOU FEEL

## MRS & MRS CLARK BRIDE AND GROOM

We saw Steelasophical at a friend's wedding, they were so good, we felt that we had to book them for our special day at Hintlesham Golf Club. Thanks guys, you did an amazing job, an awesome collection of songs created a great atmosphere for our drinks reception. All our guests loved you and we loved seeing you again to enjoy a unique sound that really started our wedding reception off in the best way possible. Book these guys, they are amazing! Love the new Mr & Mrs

## MARTIN YOUNG COME DINE WITH ME WINNER

I was chosen to appear on c4 come dine with me in april. It was a Caribbean themed evening and I thought what better way to entertain than to have a steel band.

Gary was amazing. It was like we were really in Barbados. I honestly believe that it was because of his amazing performance that I went on to win.

Thank you so much Gary.

## 4 PART CEREMONY

Steel Drummer & Ambient music Dj:

1 – Welcome guests upon arrival, create an amazing atmosphere as they meet, mix and mingle then take to their seats in anticipation of the brides arrival.

2 – The brides grand entrance

3 – Signing of the register and while brief photographs are taken

4 – The bridal party exit lead by the new couple!

## WEDDING MEAL

With a combination of our Steel Drummer Soloist / Duo band and Ambient Music Dj, we will create a beautiful uplifting atmosphere throughout your meal by carefully cherry picking wedding music you and your guests will love.

From Caribbean, to Jazz, Gospel, Ballads, Gentle Reggae, Latin, Motown, RnB, Soul... Its your wedding day, so choose the mood and atmosphere to reflect the mood you would like created.

We can even provide the PA system and microphone for those all important speeches and annoucements

# WELCOME EVENING GUESTS

Steelasophical uses the same quality PA system and lighting as top wedding dj's

Let us seamlessly kick off your evening entertainment performing music to welcome the evening guests, getting them up to speed and in the mood, and setting the atmosphere for the fun, dancing and laughter to come.

Typically this would be the first 90mins of your evening dance reception.

We can even play your first, second and third dance choices.

# EVENING CABARET

'We bring the Caribbean to you' Steelasophical will transform your evening with our Steel Drum Band, Live Percussions, Mobile DJ and fun and inclusive interactive dance (Limbo, Follow the leader, Congaline).

We are happy to work alongside your main band or Dj – brides are also currently booking Steelasophical to fulfil the entire evening entertainment due to the fact we offer so much quality and variety, there is no room for dull or bland periods of time throughout the night.
